

Gag Awards Given to Seniors

The class of 1985 is ending a chapter in their lives (Most of them didn't know it had started). They are passing on to higher aspirations (that's probably the only thing they've passed), but before they go, they have bestowed various good-natured awards on various good-natured classmates. (That means they are gonna get you right in the Kisser!)

First of all, with the hot weather as it is, David Henderson and Sarah Bland should be careful since they are voted "Most Likely to Wilt." Behind David every wimpy step of the way is David Washburn and Greg Morton. Sarah is closely pursued by Lou Ann Bowen and Joy Eubanks. Although "Captain Ego" should never flinch at a hot summer day, David and Joy took said category away. Shawn Tokanel and Kenneth Jarman apparently think highly of themselves, also, along with female counterparts Lynn Whitehurst and Tania Malik.

Andrew Ross and Gracie Harris should be the ones with a high opinion of themselves since they were awarded. "The Best Body" category. Gregg Prettyman, Ralph Sutton, Crystal Tyson, and Joy Eubanks (apparently she did have something to brag about) also can wear a Glad bag and still look good.

Besides the body, Joy's pearly whites captured "The Best Smile" category along with Jack PenaSoto, Johnny Waller, Andrew Ross, Lou Ann Bowen and Lynn Whitehurst also won the battle with the Cavity Creeps. However, Casey Lanier's and Johnnica Lyles' mouths were open and flapping and flapping and flapping for they're the "Mega-Mouths." Andre' Jones, John Tyson, Adrienne Robinson and Carmen Smith all probably drool in their sleep since their mouths are always open.

When it comes to capturing a heart with a wink, Alex Sutton and Lynn Whitehurst are the best! Tom Wallace and Roma Lewis also share "The Sexiest Eyes" category,

John Tyson and Danielle Simmons have been recording the Vidal Sassoon commercials in secret. Evidently, it paid off for they won "The Best Hairdo" category. Blake Rouse, Andrew Ross, Melissa Oft, and Sabra Quarles also pattern themselves after Farrah.

Moving on to another facial feature--the nose--in the "Pinocchio" category. Evidently, David Henderson and Leigh Fowler haven't been as honest as Abe throughout high school. However, David Washburn, John Tyson, Lisa Spence and Angie Lidner also have experienced major nose growths. While their noses were growing, Billy Raney's and Lou Ann Bowen's were pushing the ground. John Oxford, Chris Keel, Donna Smith and Martha Daughety all share the "Biggest Brown Noser" award. On the other hand, David Washburn's and Sonji Lucas' noses were up in the air for they are "The Biggest Snobs," Tom Vermillion, John Oxford, Kim Dekle and Joy Eubanks all know the ceiling patterns better than the floors.

As a whole, Kenneth Jarman and April Abbott are known for saying things so complex even they don't understand it! David Washburn, Tony Baker, Martha Daughety and Lou Ann Bowen were runners-up for their "False Intellect." At least they don't have to be tied down to keep from floating away as Casey Lanier and Sabrina Collins do for they are KHS' "Space Cadets". Donald Pollock, Curtis Baker, Sarah Bland and Laura Scott also enjoy the breeze between their ears.

However, Casey's dizzy remarks gave him "Class Clown" which he shares with Lou Ann Bowen or "Cherrilu," Chris Keel and Felicia Price can also be counted on to show-off at a party. However, beware if Shawn Tokanel or Sheree Conway moves, because they are the "Most Accident Prone." Donald Pollock, Melissa Ott and Jill Shiffler also will carry a crutch to graduation. Shawn used his helplessness to his advantage since he and Robin Brown are "The Biggest Flirts." Dwayne Canady, Tino Roberts, Adrienne Robinson and Lynn Whitehurst also are the very friendly type--to everybody!

While the clowns were making everyone laugh, David Henderson and Roxanne Howard were out and about offending people, Casey Lanier and Martha Daughety also rank up there for being "The Most Obnoxious." Apparently David Washburn's egotistical comments were to enlighten the male race because he and Chris Keel share

"The Biggest Male Chauvinist" award. But wait! Lou Ann Bowen and Tania Malik definitely don't feel the woman's place is in the kitchen for they share "The Most Liberated Female" award.

Could Demoine Sauls and Bernadine Anthony be trying to imitate the "Dynasty" crew? Could be, for they along with Zoilo Sauls and Danielle Simmons share "Best Dressed" category. On the other hand, Chris Allison and Regina Haddock sport Hagar the Horrible fashions. Gregg Prettyman and Robin Brown also follow that Viking for fashion for they are "The Worst Dressed." Regina must have also been employing Cyndi Lauper for her hairdresser since she and Jerry McConaha have the "Worst Hairdo." Steve Crawley, Jack PenaSoto, Pearl Bradshaw and Martha Daughety also change their hairstyle once a year.

John Tyson and Adrienne Robinson are ready for the fast moving pace of college life for they are "Suzie and Freddie Frat". Tom Vermillion, John Oxford, Crystal Tyson and Lynn Whitehurst are also ready to hit the preppy crowd.

However, preppies are something Anthony Kennedy and Nicky McCann growl at for they are "The Biggest Rednecks". Pat Johnson, Jerry McConaha, Dawn Wall and Regina Haddock also practice spitting tobacco between their teeth.

Trouble in Paradise would be Heaven to Lee Cannon and Stacy Ham since they are "Quarreling Cupids". Danny Wallace and Martha Nelson and Tom Vermillion and Tania Malik also have trouble greeting each other without a loving grunt.

If the going got tough, you better believe Donald Pollock and Sarah Bland would run! Earl Jarmon, Bobby Sampson, Martha Daughety and Gracie Harris would be nipping at their heels for they are "The Biggest Wimps". However, Donald Pollock and Roxanne Howard would stand and fight to the death. Lee Cannon, Tony Dawson, Gwen Davis and Nicky McCann all share "The Most Destructive" award.

Well, the judging is over. The sentencing is said. Most of you are probably glad you are going far away from school.
